SATURDAY & SUNDAY WORK NOTICE FOR MAY 6 & 7, 2017

To our Friends and Neighbors in the Community:

On Saturday May 6, and Sunday May 7, 2017, the Department of Buildings has authorized the field personnel at the 1865 Broadway project site to erect the site crane. The crane will be erected on 61st street between Broadway and Columbus Avenue using an assist crane. The DOB permit hours are from 5:00am Saturday to 9:00pm Sunday, or until the work is complete.

The projects has also been issued permits by the Department of Transportation to close 61st Street to vehicular traffic from Saturday 5:00am until Sunday 9:00pm. The sidewalk on the North side of 61st Street will also be closed to pedestrian traffic. The South side sidewalk will be open.

Lend Lease will take every measure to ensure that disruption over the weekend will be minimized. Lend Lease personnel will continually monitor site conditions.

We apologize for any inconvenience this work may cause. We welcome your feedback by contacting the Building Information Line at the following telephone number: 212.488.3996 or emailing us at Project1865broadway@lendlease.com
