COMMUNITY ADVISORY NOTICE

INSTALLATION OF TRUNK WATER MAINS IN W. 60TH ST.
AND THE SURROUNDING AREA

PROJECT ID: MED609 (609B)

Borough: Manhattan

August 25, 2016

Change in Traffic Pattern Notice

Amsterdam Avenue between
W. 61st Street to W. 62nd Street

EFFECTIVE on/about **TUESDAY**
August 30, 2016

To facilitate some of the final restoration work required in Amsterdam Avenue, from W. 61st Street to W. 62nd Street, the New York City Department of Design and Construction (NYCDDC) has reconfigured this work site. This operation is expected to be completed in eight (8) weeks.

There will be (3) three lanes of traffic on the west-side of the road. Construction will be on the east-side of the road. The southeast crosswalk at the intersection of W.62nd Street and Amsterdam Avenue will be closed to pedestrian traffic during the installation of catch basins only. All other crosswalks will be open.

Please note: Traffic agents and uniformed flaggers will be on site to assist in the transition. Temporary closures may be necessary at times, as a safety precaution, and barrier(s) set-up is subject to change, as needed.

If you have any questions or concerns or would like to learn more about the project, please call **Wayan Brown**, the Community Construction Liaison, at (646) 738-4894 or email him at w60thstreetccl@gmail.com. During non-construction hours, please contact the New York City Government Services and Information Hotline at 311.

We appreciate your cooperation and thank you for your patience while we rebuild NYC's infrastructure.
