

CELEBRATE VALENTINE'S DAY AT COLOR ME MINE, UPPER WEST SIDE

NEW YORK, Jan. 20, 2020 –

*Get creative on Valentine's Day!
Color Me Mine
Upper West Side, New York City*

Make this year's most romantic day also your most creative, by reserving a spot for you and your loved ones at Manhattan's newest Color Me Mine studio, where you'll create a one-of-a-kind art piece, enjoy some chocolates and drinks together!

The upscale-studio is hosting a 'Family Date Night', as well as an 'Adults Only Date Night', meaning no-one's left out on this special day.

The 'Family Date Night' runs from 5:00pm to 6:30pm and complimentary non-alcoholic drinks and chocolate will be provided. The 'Adults-Only Date Night' runs from 7:00pm to 9:00pm and will include 2 drinks* as well as complimentary chocolate. Don't wait to reserve your spot! Both events can be conveniently booked directly on Color Me Mine's website (upperwestside.colormemine.com)

As always, during your visit to Color Me Mine on the Upper West Side, the team will guide you through the painting process to help you achieve the result you want and after you're done painting, they will take care of the rest. Your art piece will be glazed for a shiny and smooth finish and will be fired in Color Me Mine's kilns for over 10 hours for durability. It will be ready for pickup soon after, and you'll enjoy it for a lifetime.

Color Me Mine's 'Family Date Night' is on Friday, February 14th at 5:00pm-6.30pm - reservations required. Click [here](#) to book now!

Color Me Mine's 'Adults Only Date Night' is on Friday, February 14th at 7:00pm - 9:00pm - reservations required. Click [here](#) to book now!

Color Me Mine is located at 177 Amsterdam Avenue, New York City, NY 10023.

COLOR ME MINE

Color Me Mine is the leader in the contemporary paint your own pottery industry. Each location is an upscale art-as-entertainment studio offering unfinished ceramics and other craft media. Customers enter a relaxing environment, choose one of 400 unfinished pieces, and spend an

hour or two painting it to express their own vision. Pottery pieces are left to be glazed and fired, then picked up later.
