- Northwest, Southeast corners of Columbus Avenue and W. 90th Street.
- Southwest corner of Columbus Avenue and W. 91st Street.

Beginning on/about Tuesday, July 16, 2019

Work Hours:

Monday – Friday 7:00am to 6:00pm

Saturday – 8:00am to 4:00pm

On/about Tuesday, July 16, 2019, the NYC Department of Design and Construction (DDC) will continue work operations for the Rehabilitation of Pedestrian Ramps in Manhattan Project# HWPR18M. This project entails the rehabilitation and upgrading of existing pedestrian ramps. This is a multiple location project and the overall anticipated completion of this project is Fall 2020. The permitted work hours will be Mondays through Fridays from 7:00AM to 6:00PM and Saturdays from 8:00am-4:00m. Please note, weekend hours will be used as needed.

Contact the Community Construction Liaison (CCL), Ellana Perez, at (646) 295-6966; Email: hwpr18mccl@gmail.com
For Additional Impacts, please see the Reverse Side

COMMUNITY ADVISORY

What Are the Community Impacts?

- The DDC is committed to maintaining a work site that is safe and clean. However, dust, noise and heavy equipment are common elements of construction and we ask for your patience during the project.
- There may be closures of sidewalk and restrictions to curbside parking at certain corners. However, access will be maintained to residential, business and commercial buildings. In addition, deliveries to commercial and residential properties and emergency vehicle access will be allowed.

SOME THINGS TO REMEMBER:

- Weekend work may occur. Hours of operations on Saturdays will be from 8:00AM to 4:00PM.
- Please follow all posted DOT's rules and regulations during non-construction hours. Emergency vehicle and Pedestrian access will be maintained at all times
- **Driveway/loading dock access** – may be temporarily restricted.
- **Vehicular access** – may be restricted on certain streets in certain locations.

Public Transportation

- **Bus Relocation** – where and when necessary, buses may be detoured in/around the work zones.

Pedestrian/Traffic

- **Pedestrian access** - to buildings will be maintained at all times.
- **Parking** - will be temporarily restricted so construction may proceed. Signs will be posted where necessary.

Student Pick-Up/Drop Off

- Where construction impacts school pick-up and drop-off areas, the DDC will coordinate with the NYC Department of Education (NYCDOE) and school officials to ensure these locations are safe, clearly marked and maintained.
- **Street closures/Traffic detours** – partial closures and/or limited access of intersections and streets. Half-block closures may be necessary. In the event of half-block closures, the street will be closed to through-traffic, but emergency vehicle access will be allowed. Signs will be posted.

If you have any questions, concerns, or would like to learn more about the DDC Project, please contact the Community Construction Liaison (CCL) **Eliana Perez-Gaviria**,
Telephone#: (646) 295-6966
Email: hwpr18mccl@gmail.com

Visit the NYC DDC web site at www.nyc.gov/ddc. During non-construction hours please contact New York City Government Services and Information Hotline at **311**.

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc.) it may become necessary to change some scheduled work locations and operations.
